

How to Use Williams County's New Voting System

It's as easy as 1... 2... 3...

1.  

Color the box by your choice to look like this.

GENERAL ELECTION
Sample County
November 04, 2008

President
Vote for one

Abraham Lincoln
Historical Party

Helen of Troy
Ancient Party

County Commissioner Precinct 4
Vote for one

Walt Whitman
Historical Party

Pandora
Ancient Party

Write-In *John Adams*

EXAMPLE

Use a black or blue PEN to completely fill the box to the left of your choice.

- To vote for a write-in a candidate, fill the box beside "Write-in" and neatly write the candidate's name on the adjacent line.

2. When you are ready to cast your ballot, take it to the eScan.

Insert the ballot into the eScan's Ballot Feed Slot.

- The eScan will scan ballots inserted in any orientation, reading both sides simultaneously.

3. 

Watch for information icons.

 Ballot is not properly marked.
La boleta no está marcada correctamente.

Ballot has no selections.
La boleta está en blanco.

Ballot is blank.
La boleta está en blanco.

Read and respond to any voter instruction messages.

- If there are any improperly marked contests, information screens appear for each contest that requires attention.

Congratulations!
You have cast your vote.

Your vote has been recorded.
Su voto ha sido recordado.

Thanks for voting.
Gracias por votar.

If the ballot is properly marked....

- The eScan will accept your ballot and display the waving American flag.
