

# The eSlate Verifiable Ballot Option

## Accessible and Accurate

1. Turn the SELECT wheel to highlight your ballot choice.

2. Press ENTER to mark your choice when highlighted. Repeat for each contest.

3. Read the Ballot Summary Page. Press CAST BALLOT, only after you have made all of your desired choices.

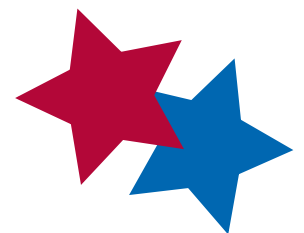

4. Read the Paper Verification Page carefully and verify your selections on the printed record.

5. After verifying the printed record, turn the SELECT wheel to highlight Accept Page and press ENTER.

6. After you have verified and accepted all printed pages, press CAST BALLOT to finish voting.

If your polling place is wheelchair inaccessible, a poll worker can bring the eSlate to your car.
