

Behavioral Health Professionals of NW Ohio

2009 Spring Training Schedule

More detailed brochures or flyers for the following trainings will be prepared and distributed later – generally about 4 weeks before the training. However, for planning purposes and distribution to your colleagues, the following trainings have been scheduled and application will be made for continuing education contact hour credit for counselors, social workers, chemical dependency counselors and nurses. (If there are exceptions, it will be noted below in the brief description of each training.) The hours listed with each training represent the number of clock hours we expect to request for each training. **Do not call-in registrations at this time. Please wait until you receive the training brochure or flyer.**

Friday, April 24
